## Player Commitment Contract

The purpose of this program is to develop your mental, physical, and emotional abilities as a volleyball player and to enhance your opportunities to play at a higher level if you so desire. In order to meet this goal, certain personal sacrifices must be made; sacrifices that pave the way for a commitment to this program.

**These commitments include:**

1. To work consistently toward higher individual techniques and team goals.
2. To maintain and express a positive and supportive attitude toward individuals and the team as a whole.
3. Complete dedication to the team as a whole.
4. Wholehearted participation in practice sessions, matches, and tournaments.
5. To realize specific roles as a player in this program, because understanding roles will maximize team cohesiveness.

Remember that athletic participation is a privilege. Playing in this club involves a great deal of individual and family sacrifice. If you agree to this commitment contract, you will be expected to adhere to these policies and realize that they are imperative to a sound team concept. Failure to follow these policies could result in any of the following consequences:

1. Disciplinary actions as voted on by team members in the case of a minor violation.
2. Suspension from the team for a series of practices.
3. Dismissal from the program.

Our players demand to be treated as adults; therefore, they bear full responsibility for their actions.

I indicate my agreement to abide by these commitments by signing the **Player Commitment Contract Agreement** form of this packet.
